**RE: Docket No. 2009-473-WS -- Tega Cay Water Service, Inc. (TCWS) --  
Application for Adjustment of Rates and Charges and Modifications  
to Certain Terms and Conditions for the Provision of Water and Sewer  
Service**

Dear Ms. Boyd:

The City of Tega Cay has received requests from TCWS customers to host a public forum for the Public Service Commission regarding the above Application. The residents would appreciate having an opportunity to understand more completely the application filed by the TCWS and to voice their concerns.

In addition, the Mayor and City Council recommended that I request the Public Hearing scheduled to be held in Columbia, SC, be moved to Tega Cay, SC. This would allow more residents being affected by this submission to be available to attend the hearing.

It would be appreciated if you would contact me to discuss these two requests. I hope we can make some arrangements that are satisfactory with the Public Service Commission, the Tega Cay Water Service as well as the residents of Tega Cay.

Sincerely,

Grant W. Duffield  
City Manager
